Travel Fee

Due to the large area of coverage and the remoteness of some consumers, travel will be charged at the current rate of \$0.92 / km for customers. This travel fee covers the Home Support workers cost of travelling to and from the consumers home. Travel with or on behalf of the consumer will also attract a fee of \$0.92 per km.

Consumer contributions

Depending upon your personal financial position, the government may ask consumers who can afford to do so, to contribute to the cost of their care through an 'Income Tested Care Fee'. This fee is determined through an income test with Centrelink.

Approved absences (leave)

Consumers can take leave from their package for a holiday, a hospital stay, transition or respite care. The service provider must be notified of all leave.
